General Mining Corporation Limited advises that Mr Chris Wanless has tendered his resignation as a non-executive director of the Company effective from the end of October 2010. Mr Wanless will be re-locating to Europe to pursue other business opportunities.

The Board thanks Mr Wanless, a founding director, for his commitment and efforts on behalf of the Company, particularly during the lead up to its successful float in December 2009. The Board wishes him every success in his future endeavours.

Michael Wright
Chairman

About General Mining Corporation Ltd (ASX: GMM)

General Mining Corporation Ltd is a Western Australian company with a substantial portfolio of exploration properties in Mongolia and Western Australia. The Company is focused on bulk commodities, namely high-margin potash at the Uvs Basin project in Mongolia, and iron ore and manganese at the Shoemaker project in Western Australia.

The Company also has some base metal and IOCG exploration properties in those countries.
